Food Service - Schools

The Buffalo Hanover Montrose Schools Nutritional Services will provide an opportunity for all families to drive through and pick up meals for the children in their family, ages 18 and under. Children must be present for meals to be provided. Meals will be served at the following schools between 11:30 AM and 1:30 PM, Monday through Friday:

- Buffalo Community Middle School
- Parkside Elementary School (pick up is near the corner of 2nd Ave NE and 4th St. NE, watch for signs.
- Montrose Elementary School (pick up will be at front of building)
- Hanover Elementary School (pick up will be at front of building)

The program is pick up only! Congregating at the school once meals have been distributed is discouraged.

Allina Health

Press Release: Allina Health is collecting facemasks and notes/cards of encouragement. Consider donating and/or sending this press release out to others that you know of who may be able to help. This begins Sunday, March 22 from 9am – 1 pm and will continue through April 5th at Buffalo Hospital, 303 Catlin St, Buffalo, MN. If you check on <https://www.allinahealth.org/coronavirus>, you will see that we also have a pattern for sewn cotton masks if you have a talent, supplies and time for that. There is also additional information and links about COVID-19.

If you have children looking for a project, we are accepting notes and drawings to share with our staff and patients. These will also be collected with the masks and shared in a safe way. We will also consider the many care facilities and isolated seniors to share these with.
